

2016 ALOTA Fellows Mentee Application

Program goals:

- To increase awareness & interest in ALOTA volunteer leadership positions among OT/OTA professionals within the state.
- To develop strong leaders within ALOTA

Program Curriculum:

The ALOTA Fellows curriculum is a 1 year commitment that consists of leadership training, insight on leadership positions on the ALOTA board, mentorship, and participation in current service opportunities that match each participant's leadership goals.

Curriculum Length: Participants selected for the ALOTA fellowship program will serve as participants for one year under mentorship of a current practitioner.

Eligible Participants: OT/OTA Students in their last year of their program, as well as current practitioners who are members of ALOTA with a strong desire to further develop leadership capacities within our state association. Eligible participants must complete application as well as provide a reference in order to be considered.

Program structure:

- Leadership training “course”
- On-going mentorship- mentor in mentee's region so that face to face mentor/mentee meetings are possible
- Service opportunities
- ALOTA board collaboration
